This training utilizes the study and practice book to help certified teachers review the domains and competencies for the 164 Bilingual Education Supplemental Test. This includes: research-based content materials, resources to review and study the competencies included on the test, helpful links to related literature, terminologies, and practice multiple-choice questions to review as part of the teachers' preparation for taking the test.

Session covers:

- Review of test expectations & clarification of terms
- Competencies 1, 2, 3, & 4
- Individual practice of items
- Q&A via chat and discussion
