## The Visual Non-Glossary's Teacher of the Month Program

### Who is a VNG Teacher of the Month?

The Visual Non-Glossary's Teachers of the Month are **educators who employ creativity, passion, and student-centered pedagogy** to get all of their students talking about academic content. Every month, a Science, Social Studies, and Math teacher are each **selected among our 20,000+ VNG members nationwide**.

Typical VNG Teachers of the Month:

- **Frequently use the VNG** in their lessons
- Use the VNG in **unique or creative ways** to teach their content
- Are **committed to a student-first approach**, in which student voices drive the class discussion
- **Support fellow educators** in using the VNG

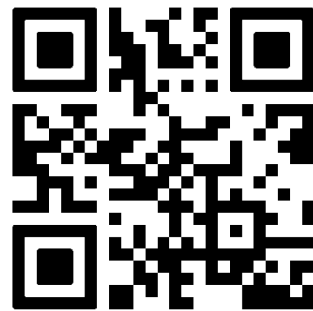

### What does being a Teacher of the Month entail?

VNG Teachers of the Month are featured on the VNG website and weekly newsletter, where they may share a testimonial of their experience with the Visual Non-Glossary. Additionally, we send each Teacher of the Month a Visual Non-Glossary coffee mug with some extra goodies.

[Past Teachers of the Month](#) can be found in the Updates section of the Visual Non-Glossary website.
